Sax. S.

If I should stay, I would only be in your way
 So I'll go, but I know
 I'll think of you every step of the way

And I will always love you
 I will always love you
 You, my darling you, hm

Bittersweet memories
 That is all I'm taking with me
 So, goodbye
 Please, don't cry
 We both know I'm not what you, you need

And I will always love you
 I will always love you, you

I hope life treats you kind
 And I hope you have all you've dreamed of
 And I wish to you joy and happiness
 But above all this, I wish you love

And I will always love you
 I will always love you
 I will always love you
 I will always love you
 I will always love you
 I, I will always love you

You, darling, I love you
 Ooh, I'll always, I'll always love you
