

# Moonglow

Will Hudson et Irving Mills

♩ = 105    **Swing**

Clar. Sib 

6 

It must have been Moon glow

9 

Way up on the blue                      It must have been Moon glow

13 

That led me straight to you                      I still hear you

16 

say ing                      Dear one hold me fast                      And I start in

20 

pray ing                      Oh Lord please let this last                      We

24 

seemed to float right thru the air                      Hea ven ly songs

28 

Seemed to come from eve ry where

31 

And now when there's Moon glow                      Way up in the

34 

blue                      I al ways re mem ber                      That Moon glow

38 Clar. Sib **gave me you**

43 Clar. Sib **gave me you**

47 Clar. Sib **gave me you**

51 Clar. Sib **gave me you**

56 Clar. Sib **gave me you**

61 Clar. Sib **And now when there's Moon glow**

65 Clar. Sib **Way up in the blue I al ways re mem ber**

69 Clar. Sib **That Moon glow gave me you And now when there's**

72 Clar. Sib **Moon glow Way up in the blue I al ways re**

76 Clar. Sib **mem ber That Moon glow gave me you**
