Paranoia is in bloom
 The PR transmissions will resume
 They'll try to push drugs that keep us all dumbed down
 And hope that we will never see the truth around
 (So come on)

[Verse 2]

Another promise, another seed
 Another packaged lie to keep us trapped in greed
 And all the green belts wrapped around our minds
 And endless red tape to keep the truth confined
 (So come on)

[Chorus]

They will not force us
 And they will stop degrading us
 And they will not control us
 And we will be victorious
 (So come on)

[Verse 3]

Interchanging mind control
 Come let the revolution take its toll
 If you could flick a switch and open your third eye
 You'd see that we should never be afraid to die
 (So come on)

[Verse 4]

Rise up and take the power back
 It's time the fat cats had a heart attack
 You know that their time's coming to an end
 We have to unify and watch our flag ascend
 (So come on)

[Chorus]

They will not force us
 They will stop degrading us
 They will not control us
 And we will be victorious
 (So come on)
